| Would you like to do any add-on course or skill enhancement course? If yes specify? |

Any other suggestions

Students can be given few *elective courses* in the paper 5 that is Applied components in which a student will be free to choose the topics or units that will be there in the list; like few courses related to other departments (interdisciplinary courses) or students can be given liberty to choose a specific topic (scientific) that she/he wants to study and teachers can guide them. Thank you.

Dear students, We need your feedback on FYBSc Zoology syllabus. We appreciate your valuable time for filling this form.

Would you like to do any add-on course or skill enhancement course? If yes specify?

Yes! For sure. Would love to do any add on course and would like to gain more knowledge on things which I do not know especially during this pandemic.
