Report

Name of the event:- Clean up drive

Organised by:- NSS unit in collaboration with BMC

Day and date:- Sunday, 1st October 2023

Time:- 10:00 a.m. to 11:30 a.m.

Venue:- M.G. Road Bharat cafe

Objective:- To create awareness of cleanliness amongst all

Number of volunteers : 30

UN SDG

1.SDG 11: Sustainable Cities and Communities: Clean-up drives help create cleaner and more sustainable urban environments by removing waste and improving the quality of public spaces. This contributes to SDG 11's targets related to making cities inclusive, safe, resilient, and sustainable.

2.SDG 12: Responsible Consumption and Production: Clean-up drives promote responsible consumption and production by raising awareness about waste generation and the importance of reducing, reusing, and recycling materials. By cleaning up litter and waste, these initiatives encourage more sustainable consumption patterns and reduce the environmental impact of waste disposal.

3.SDG 14: Life Below Water: Clean-up drives along coastlines and water bodies help protect marine ecosystems by removing plastic debris, fishing gear, and other pollutants that endanger marine life. This supports SDG 14's targets aimed at conserving and sustainably using marine resources and ecosystems.

4.SDG 15: Life on Land: Clean-up drives in natural habitats such as forests, parks, and wildlife reserves help preserve biodiversity and ecosystems by removing litter and waste that can harm wildlife and disrupt ecological processes. This contributes to SDG 15's targets related to conserving and restoring terrestrial ecosystems and halting biodiversity loss.

5.SDG 3: Good Health and Well-being: Clean-up drives improve public health and well-being by reducing exposure to environmental pollutants and preventing the spread of diseases associated with unsanitary conditions. By creating cleaner and safer environments, these initiatives support SDG 3's targets aimed at promoting health and preventing environmental hazards.

6.SDG 6: Clean Water and Sanitation: Clean-up drives help protect water resources by preventing pollution and contamination from entering rivers, lakes, and oceans. By removing litter and waste from water bodies and their surroundings, these initiatives contribute to SDG 6's targets related to ensuring access to clean water and sanitation for all.

7.SDG 17: Partnerships for the Goals: Clean-up drives often involve collaboration between government agencies, businesses, civil society organizations, and community groups. By fostering partnerships and collective action, these initiatives support SDG 17's targets aimed at strengthening global partnerships for sustainable development.

Brief description:- A clean-up drive, also known as a cleanup event or community clean-up, is a collective effort aimed at removing litter, debris, and other pollutants from public spaces, natural environments, or communities.

Through clean-up drives students raised awareness about environmental issues, waste management practices, and the importance of keeping public spaces clean.
