Report

Name of the Event: Cyber Safety Program

Organized by: NSS unit

Day & Date: Friday, 03/11/2023

Venue: Auditorium, Ground floor, Mulund College of Commerce

Time: 12:00 pm to 2:00 pm

Objective: To empower everyone to protect their personal data from digital forms of crime and to build awareness to protect and respond to various cyber threats.

The event is in accordance with UN's 4th & 16th goals for sustainable development and these are 'Quality education' and 'Peace justice and strong institutions' respectively.

UN SDG goals:

1. Goal 9: Industry, Innovation, and Infrastructure - This goal focuses on building resilient infrastructure, promoting inclusive and sustainable industrialization, and fostering innovation. A Cyber Safety Program can contribute to this goal by enhancing cybersecurity infrastructure, promoting innovation in cybersecurity technologies, and ensuring the resilience of digital infrastructure against cyber threats.

2. Goal 16: Peace, Justice, and Strong Institutions - This goal aims to promote peaceful and inclusive societies, provide access to justice for all, and build effective, accountable, and inclusive institutions at all levels. A Cyber Safety Program can support Goal 16 by fostering cybersecurity awareness, promoting online safety and digital literacy, and strengthening institutions' capacity to combat cybercrime and ensure cybersecurity.

3. Goal 4: Quality Education - This goal emphasizes the importance of ensuring inclusive and equitable quality education and promoting lifelong learning opportunities for all. A Cyber Safety Program can contribute to Goal 4 by integrating cybersecurity education into school curricula, providing training on safe and responsible online behavior, and equipping individuals with the knowledge and skills to navigate the digital world safely.

Brief Description: On 03rd September 2023, there was a session organized on 'Cyber Safety Program' by NSS unit in MCC college. It was an informative session comprising discussions over online abuse, cyber bullying, identity theft, cyber trafficking, cyber grooming, phishing and many more.

The event proved to be a huge success by raising awareness on this crucial topic as in today's digital world one cannot ignore cybersecurity. One single security breach can lead to exposing the personal information of millions of people thus it is essential to protect individuals from spammers & cyber criminals.
