Report

Name of the Event: Food distribution

Organized by: NSS Unit of R.J. College in collaboration with Satya sai seva organization

Day and date: Thursday, 30th November 2023

Time: 05:00 pm to 07:00 pm

Venue: Outside tata cancer hospital Parel

Objective of the activity: The main aim of food distribution is to provide good health and nutritious food. The goal is to ensure that food reaches individuals and communities who may not have easy access to it.

The event is in accordance with UNS 2nd and 10th goal for good health and wellbeing and reduced inequalities for sustainable development

UN SDG goals:

1. Goal 2: Zero Hunger: This goal aims to end hunger, achieve food security and improved nutrition, and promote sustainable agriculture. Efficient and equitable food distribution systems are essential for ensuring that everyone has access to an adequate and nutritious diet.

2. Goal 1: No Poverty: While not directly focused on food distribution, ensuring equitable access to food is crucial in alleviating poverty, as hunger and poverty are closely interconnected. Effective food distribution systems can help lift people out of poverty by providing access to food and economic opportunities.

3. Goal 12: Responsible Consumption and Production: Food distribution also relates to responsible consumption and production practices. Efficient distribution systems can help reduce food waste, promote sustainable agricultural practices, and ensure that resources are used more efficiently throughout the food supply chain.

4. Goal 3: Good Health and Well-being: Access to nutritious food through efficient distribution channels is essential for promoting good health and well-being. Adequate nutrition plays a critical role in preventing malnutrition, supporting physical and mental health, and reducing the prevalence of diet-related diseases.

Bring description: Food distribution on Thursday 30th November 2023 was held between 5:00 PM to 7:00 PM and the food was distributed among all the needy patients and their families. The main aim of distribution was as they all are patient, and they all need good food which will provide nutrients for their body and for their families who can take good care of them. This activity was held among 4 members.
