## Report

**Name of the event:** Food distribution

**Organized by:** NSS unit of RJ College in collaboration with Satya Sai Foundation

**Day and date:** Thursday, 11th January 2024

**Time:** 05:00 pm to 06:00 pm

**Venue:** Tata hospital Parel

### UN SDG:

1. **SDG 4: Quality Education:** Food distribution initiatives often include educational components aimed at promoting nutrition education and healthy eating habits. By providing information on balanced diets, food preparation, and the importance of nutritious foods, these programs contribute to Goal 4 by fostering lifelong learning and promoting health literacy among beneficiaries.

2. **SDG 6: Clean Water and Sanitation:** Access to safe and clean water is essential for food preparation and hygiene practices. Many food distribution programs also support access to clean water and sanitation facilities in communities where they operate, contributing to Goal 6's objective of ensuring availability and sustainable management of water and sanitation for all.

3. **SDG 7: Affordable and Clean Energy:** Food distribution activities may involve transportation, storage, and refrigeration, which require energy resources. Implementing energy-efficient practices and utilizing clean energy sources in food distribution systems can help reduce greenhouse gas emissions and mitigate environmental impacts, thus supporting Goal 7's aim of ensuring access to affordable, reliable, sustainable, and modern energy for all.

4. **SDG 8: Decent Work and Economic Growth:** Food distribution programs create employment opportunities along the supply chain, including food production, transportation, distribution, and retail. By generating income and livelihoods for individuals and communities involved in the food sector, these initiatives contribute to Goal 8 by promoting inclusive economic growth and decent work for all.

5. **SDG 9: Industry, Innovation, and Infrastructure:** Effective food distribution relies on efficient logistics, infrastructure, and technological innovations to transport and store food

safely and efficiently. Investing in infrastructure development and innovation in the food distribution sector can improve supply chain efficiency, reduce food loss and waste, and enhance food security, thus supporting Goal 9's objective of building resilient infrastructure, promoting inclusive and sustainable industrialization, and fostering innovation.

6.SDG 14: Life Below Water and Goal 15: Life on Land: Sustainable food distribution practices can help mitigate environmental impacts, such as deforestation, habitat destruction, and marine pollution, which affect marine and terrestrial ecosystems. By promoting sustainable sourcing, packaging, and transportation of food products, food distribution initiatives contribute to the conservation and sustainable use of terrestrial and marine resources, supporting Goals 14 and 15.

**Objective of the activity:** objective is to provide nutritional support to patients and their families who stay outside the hospital during the treatment period.

The event is in accordance with the UN's 3rd and 4th goals for good health and wellbeing and reduced inequalities for sustainable development.

**Brief description:** The nss you need to organize food distribution at Tata Hospital with Satya Sai Foundation Was Critical in ensuring the sources of the initiative. Their commitment to humanitarian efforts and experience in such initiatives greatly contributed to the smooth execution of food distribution.
