Report

Rotaract club of RJ college

Name of the event: Annadaan

Day: Saturday

Date: 1st July, 2023

Time: 2:00pm

Venue: Ghatkopar, Vikhroli, Kalwa

Number of Participants: 15

- Our club conducted detailed planning to determine the number of packets required for each location and to ensure that the poha was prepared and packed hygienically.
- Volunteers were recruited and assigned specific roles for the event. Roles included packet preparation, transportation, distribution, and communication with beneficiaries.
- The poha packets were prepared, ensuring proper portion sizes and maintaining hygiene standards during the packing process.
- On July 1st, volunteers gathered at the designated locations – Ghatkopar, Kalwa, and Vikhroli. The distribution process was organised.
- Alongside the food distribution, club members engaged with beneficiaries, spreading positivity and empathy while addressing any queries or concerns they might have had.

Objective:

- The primary aim of the "Annadaan" event was to provide food assistance to underprivileged individuals and families in various locations.
- By distributing 55 packets of poha across three different locations – Ghatkopar, Kalwa, and Vikhroli – the club aimed to alleviate hunger and contribute to the welfare of the community along with RID 3141.

Outcome:

- The distribution of food to underprivileged individuals and families provided immediate relief from hunger.
- This impact was particularly significant in times of financial difficulties and food insecurity.
- The event brought together club members, volunteers, and beneficiaries in a shared effort to support the community. This engagement fostered a sense of togetherness and highlighted the importance of collective action in addressing social challenges.
- The event not only provided physical sustenance but also spread positivity and hope within the community.
- The interactions between volunteers created an atmosphere of compassion and empathy.
