CERTIFICATE

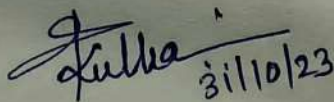

This is to certify that **Ms. Shravani Lawoo Koyande**, student of M.Sc (Biotechnology) from **Ramniranjan Jhunjhunwala College**, Ghatkopar, Mumbai, was a short-term trainee at Radiation Medicine Centre, Bhabha Atomic Research Centre, for the period from 1st May 2023 to 3rd Oct 2023. She participated in the project entitled "Development of DNA-biochip for detection of gene mutations conferring second-line drug-resistance in *Mycobacterium tuberculosis*".

Ms. Shravani Lawoo Koyande has shown good technical skills and a grasp of the subject. She is hard-working and responsible and can be relied on to perform his duties sincerely. Her overall conduct was good. She has the eagerness to learn new concepts and has performed the techniques on her own after initial training.

She is very well-mannered and has a very pleasing personality. It was a pleasure having her with us.
