To Whom It May Concern

This is to certify that **Miss. Ayesha Khatun Azimullah Shaikh**, student of Master of Zoology Part-I from R. J. College has worked under my supervision during her internship tenure from 20th April 2024 to 20th May 2024 at Tandon Hospital Pathology. She has knowledge of Biochemistry Pathology, Serology, Hematology and have also carried out collections and performed ECG at our center.

During her tenure she was regular and sincere and has been able to present her good picture of concerned work.

She possesses of good moral character. We wish her good prospect for her future.
