Intercollegiate PPT Competition

Theoretical learning pertains to core knowledge and the application is the implementation of knowledge in certain real life situations. Practical knowledge can often lead to a deeper understanding of a concept through the act of personal experiences. And this has unfolded the idea of 'Visual Storytelling'.
We are pleased to announce 'Visual Storytelling', an Intercollegiate Power Point Presentation Competition for the academic year 2023-24.

Kindly Note:

- This competition is for undergraduate students who have Statistics / Mathematics / Economics as a subject at first year level.
- Maximum two teams from a college can participate in the competition.
- A team should consist of 3 student participants (not all from TY class).
- A team should collect primary / secondary data based on any topic related to the theme, 'Education in India' of any required sample size from any population and present the analysis of that data.
- Each team will be given maximum 10 minutes for presentation including 2 minutes for interaction.
- At least 2 students of each team should make the presentation at the time of competition.
- The winning teams will be awarded prizes and certificates.
First prize: Rs. 2100/-
Second prize: Rs. 1500/-
Third prize: Rs. 1200/-
- All participants will be given participation certificate.
- Judges' decision will be the final decision.

Nothing was once a beginner.
