REPORT

SEMINAR ON “Cyber Security and its Future”

Department of Computer Science

Date: Tuesday, December 12, 2023,

Time: 08.00 AM to 10.00 PM

Venue: E-1 First Floor, B-Wing, RJ College New Building, O&S Business Suites Building, Ghatkopar (West)

Students Benefited: TYBSC Computer Science and Information Technology

Students. **Number of beneficiaries students:** 116

Resource Person: Mr. Vijay Pandey

CISSP, CEH certified, associate consultant in Cyber Security Unit. He has completed Splunk user certification and graduated with a B.Tech/B.E. in Electronics/Telecommunication. Information Security specialist at LTI.

Objective of the session:

This session aims to educate students about potential cyber threats, best practices for safeguarding sensitive information, and how to respond effectively in case of a security incident.

The Department of Computer Science has hosted a career counseling seminar on “Cyber Security and its Future” on 12th December 2023 for TYBSC computer science and Information Technology students.

This program made students aware of what should be done after TY to choose a proper career path in cyber security technology.

This session includes topics like:

1. What is cyber security?
2. What is Information/data and how to secure it?
3. How to explore the future in cyber security.

Outcome:

Students will learn to analyze and evaluate the cyber security needs of an organization. They also conduct a cyber security risk assessment, measure the performance and troubleshoot cyber security systems and as well implement cyber security solutions. This will help students to analyze their strengths, interests, abilities and skills to get better opportunities in their careers.
