Report

BBA Department

Name of the Session: Empowering Business through Analytics

Trainer: Mr. Vikam Hande

Day: Thursday & Friday

Date: 24th & 25th July 2023

Time: 11.00 am to 1.00pm onwards

Venue: Data Science Lab

No. of Participants:

No. of Teachers: 02

Mr. Vikram Hande shared different business stories and their business cycle model. He also shared the business analytics aspects and the different avenues where it can be use. Sir also shared the use of artificial intelligence in business from acquiring raw materials to customer retention and many more avenues.

He also explained the use of statistics in analytics and management. He explains the job avenues after BBA.

The session ended with question and answer where students asked the different question on analytics.

Objective: The objective of the session conducted by Mr. Vikram Hande was to educate BBA students on various aspects of business cycles, business analytics, artificial intelligence (AI) applications in business, the role of statistics in analytics and management, and career opportunities available after completing BBA.

Input:

- Mr. Vikram Hande, expert in business cycles and analytics
- BBA students
- Presentation materials and resources on business cycles, analytics, AI, and statistics

Process:

1. Business Stories and Business Cycle Model

- Mr. Vikram Hande shared different business stories illustrating various business cycle models, providing practical insights into how businesses operate over time.
- 2. **Business Analytics:**
 - Discussed the fundamentals and applications of business analytics in decision-making processes within organizations.
 - Explored different avenues where analytics can be applied, such as operations, marketing, and customer retention.
- 3. **Artificial Intelligence in Business:**
 - Covered the use of AI from sourcing raw materials to enhancing customer retention strategies and other operational efficiencies.
- 4. **Statistics in Analytics and Management:**
 - Highlighted the importance of statistics in deriving meaningful insights from data for effective management and strategic decision-making.
- 5. **Career Opportunities After BBA:**
 - Provided insights into various job avenues available after completing a BBA degree, particularly in fields related to business analytics, AI, and management.
- 6. **Question and Answer Session:**
 - Concluded with an interactive Q&A session where students had the opportunity to ask questions related to analytics, AI, statistics, career prospects, and any other relevant topics.

Outcome:

The session conducted by Mr. Vikram Hande successfully achieved its objectives of enhancing students' understanding of business cycles, introducing them to the applications of analytics and AI in business, emphasizing the role of statistics in management, and informing them about potential career paths after BBA. The engagement and feedback from students reflect a positive impact on their knowledge and readiness for future professional endeavors in the business world.
