Time: 08.00 AM to 10.00 PM

Venue: RJ College, New building

Resource Person: Mr. Shubham Dumbare

Students Benefited: TYBSC Computer Science Students.

Number of beneficiaries students: 71

Objective of the session:

The counseling session will assist in decision-making by providing information about the chosen career path, other available career options in Java, their pros and cons, job prospects, and help you locate resources for obtaining important career-related information.

Resource Person:

Mr. Shubham Dumbare is technical and career consultant at codeGym .

The Department of Computer Science has organized a career counseling seminar on “CAREER IN JAVA DEVELOPMENT” on 12th August 2023 for TYBSC computer science students.

This program made students aware about what should be done after TY to choose a proper career path in java technology.

This session includes activities like:

1. Where is java used?
2. How to get a Java Developer Profession
3. Java Development career perspectives

Outcome:

Career counseling is a systematic process that helps an individual understand oneself, as well as the world of work, to choose the right career. It is the process of helping students to analyze their strengths, interests, abilities and skills.
