REPORT

The Internal Quality Assurance Cell (IQAC) organized a professional development session on "How to Make Infographics and How to Use Google Meet" on December 7, 2023. The session was divided into two parts. Session I, facilitated by Mr. Deviprasad Shetty, provided an indepth understanding of Google Meet. The session covered essential features, tips for conducting seamless virtual classes, and techniques to manage and interact with participants effectively.

Session II, conducted by Ms. Archana Bhide, focused on creating effective and visually appealing infographics. Participants learned the principles of infographic design, explored tools to craft impactful visuals, and discussed how to integrate them into educational materials to improve student engagement.

The teachers actively engaged in the interactive sessions, gaining hands-on experience and valuable insights into both topics. The event highlighted the importance of integrating technology and innovative tools into teaching practices to meet the demands of modern education. IQAC's initiative was well-received, with participants appreciating the relevance and practical nature of the training.
