Report

The IQAC of RJ College organized a three days Faculty Empowerment Programme for teachers (aided and non aided) to highlight the role of teachers in NAAC documentation and their participatory role in the accreditation process ahead of the fourth cycle of NAAC in the academic year 2023-24. Dr Usha Mukundan, Director of HVPS addressed the six sessions on 24th, 25th and 26th July, 2023.

Dr. Usha Mukundan provided valuable insights on the significance of NAAC documentation, elaborating on the seven criteria outlined in the Annual Quality Assurance Report (AQAR) and the Self-Study Report (SSR) documents. She contextualized these criteria with the objectives and goals of the National Education Policy 2020, which emphasizes the holistic development of learners.

During the sessions, Dr. Usha emphasized the importance of a well-designed curriculum. She stressed the need for clear and well-defined statements in the curriculum, including the Preamble, Programme Outcome, Programme Specific Outcome, Learning Objective, Course Outcome, and Credit structure. Dr. Usha emphasized the significance of employing innovative pedagogies and evaluation methods to create a learner-centric education system that caters to diverse learning needs, styles, and paces. She discussed various pedagogical approaches such as blended learning, gamification, experiential learning, flipped classroom, projects-based learning, and multiliteracies. Additionally, she covered assessment methods like written exams, open book exams, practical assessments, team projects, viva voce interviews, computerized adaptive testing, and exams on demand.

Dr. Usha highlighted the role of student feedback as an essential mechanism for assessing the effectiveness of the curriculum, teaching methods, and evaluation systems. Furthermore, she stated on the new roles envisaged for teachers by the National Education Policy. In addition to imparting knowledge, teachers are expected to act as facilitators, role models, and mentors for their students.

The Faculty Empowerment Programme conducted by the IQAC of RJ College proved to be highly enlightening and valuable for the participating teachers. Dr. Usha Mukundan's insightful sessions on NAAC documentation, curriculum design, innovative pedagogies, and evaluation methods have equipped the faculty members to actively contribute to the accreditation process and improve the overall quality of education imparted at the institution. The program concluded with a vote of thanks extended by IQAC Coordinator, Dr. Bhushan Arekar.
