Report

Title: State Level Workshop on Mentoring of Affiliated Colleges for Implementation of NEP 2020

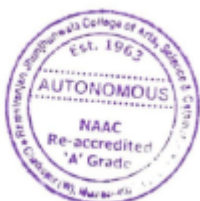

Day: Tuesday

Date: October 17, 2023

Ramniranjan Jhunjhunwala College, in collaboration with the University of Mumbai, convened a one-day "State Level Workshop on Mentoring of Affiliated Colleges for Implementation of NEP 2020" on October 17, 2023. The primary objective of this workshop was to assist and facilitate affiliated colleges of Mumbai in formulating syllabi in accordance with the guidelines set forth by the National Education Policy (NEP) of 2020.

During the inaugural address, Dr. Usha Mukundan, Director of HVPS, elucidated the workshop's purpose, emphasizing its role as a pivotal platform for knowledge exchange regarding curriculum development among affiliated colleges. Dr. Keshav Tupe, Joint Director of Higher Education in the Mumbai-Panvel region, commended RJ College's initiative and stressed the transformative impact of NEP 2020 on higher education. He underscored the need for colleges to adapt to the challenges posed by the new knowledge system, curriculum design, and innovative pedagogical approaches. Furthermore, he delved into emerging educational trends such as vertical universities and cluster colleges.

In the initial session, Dr. Himanshu Dawda, Principal of Ramniranjan Jhunjhunwala College, meticulously delineated the key aspects of NEP 2020, including its emphasis on multidisciplinary education, flexible curriculum structures, research, innovation, technological integration, and global exposure. He elucidated the specific verticals outlined in NEP and expounded upon the credit framework integral to the policy.

Subsequently, in the second session, Dr. Sucheta Joshi, Head of the Department of Economics, elucidated the Open Electives (OE) and the credit system devised by Ramniranjan Jhunjhunwala College. She emphasized the mandatory selection of OE courses from faculties other than the major, with a focus on enhancing students' employability. These OE courses, each comprising two credits, will be offered in Semester I, II, III, and IV. Similarly, Vocational Skill Enhancement Courses (VSEC) of two credits each will be available in Semester I, II, III, and IV, allowing students to select one open elective course from a provided basket.

In the subsequent session, Dr. Meher Mistry, Head of the Department of History, elucidated the Vocational Skill Enhancement Course (VSEC) and the Indian Knowledge System course, both carrying two credits each. VSEC was designed to instill employable skills in students, while the Indian Knowledge System course aimed to explore India's historical achievements in fields such as cultural heritage, medicine, science, and technology. Dr. Mistry underscored the course's significance in comprehending ancient knowledge systems and their relevance in the contemporary context.

In the fourth session, Professor Selvi outlined the On Job Training (OJT), Field Projects, Community Engagement and Service Programme (CEP), and Co-Curricular Courses (CC). OJT courses, valued at two credits, will be available in the sixth semester, while CC courses will be offered in the third and fifth semesters, each comprising two credits. CEP courses, also totaling two credits, will be accessible in the fourth and fifth semesters, enriching students' overall educational experience.

The workshop concluded with an engaging discussion where teachers raised pertinent queries regarding the various courses under NEP 2020. The seminar culminated with a vote of thanks, acknowledging the collective effort and enthusiasm demonstrated by the participants.
