## REPORT STUDENT INDUCTION PROGRAM (SIP) FOR STUDENTS OF FYBA/FYBSC/FYBSC CS/FYBSC IT/ FYBSC BT/ FYBCOM/ FYBAMMC/ FYBVOC/FYBMS/FYBBI/FYBAF 2023-2024

The institute, as a Higher Education Institution (HEI), has adopted the UGC's 10 Quality Mandates and commenced the new academic year with "Deeksharambh," the induction program. This initiative supports students transitioning from higher secondary education to degree-level programs, aligning with the institute's ethos of inclusivity and commitment to quality education.

Deeksharambh provides a platform for students from diverse socio-economic backgrounds—some with clear goals, others seeking guidance—to integrate into the teaching-learning-evaluation process. It fosters interaction between peers and teachers, building a strong foundation for their academic journey.

On **Day 1**, Principal welcomed students, highlighting the institute's mission, vision, and achievements. This was followed by interactions with key personnel, including the Controller of Examinations (CoE), Vice Principals, IQAC Coordinator, and coordinators of NCC, NSS, DLLE, Cultural, Rotaract, and Sports. The Code of Conduct Coordinator detailed the rules, while the counsellor, librarian, and placement officer introduced support services. The session concluded with the Accounts Section presenting the "Yuva Raksha" insurance scheme. Heads of Departments also participated to familiarize students with their academic journey.

On **Day 2**, rotational sessions addressed physical and mental health and emphasized the code of conduct.

From **Day 3 onwards**, academic engagement began with the Bridge Course to help students adapt to degree-level studies. Evaluative sessions identified slow and fast learners, with remedial courses designed at the departmental level for those needing extra support. Alumni engagement further enriched the induction experience.

Deeksharambh 2023-2024 included all first-year students from Arts, Science, and Commerce faculties, both aided and self-financing programs, preparing them to thrive academically and holistically.

## STUDENT INDUCTION PROGRAM (SIP) FOR STUDENTS OF FYBA/FYBSC/FYBSC CS/FYBSC IT/ FYBSC BT/ FYBCOM/ FYBAMMC/ FYBVOC/FYBMS/FYBBI/FYBAF 2023-2024

As part of the Induction Program, the Code of Conduct (CoC) Committee conducted a session to instil awareness about professional ethics among students. The session emphasized the importance of adhering to ethical standards, both within the campus and in society. Students were introduced to the graduate attributes the institution expects them to develop, ensuring they leave after three years as responsible, mature citizens ready to contribute to national development.

The CoC Committee highlighted the significance of professional and ethical sensitivity in all spheres of life. Key values such as integrity, honesty, empathy, respect, and cooperation were stressed, particularly in the context of functioning within diverse groups. The session also addressed the importance of cultivating workplace and professional ethics to facilitate a seamless transition from campus life to the corporate environment.

By embedding these principles into the Induction Program, the institute aims to create a foundation for students to uphold ethical practices and demonstrate social responsibility throughout their academic and professional journeys. This initiative ensures that students not only excel academically but also develop the character and values needed to make meaningful contributions to society and the workforce.
