The meeting began with the chairperson welcoming all the BOS members. Post that the BOS was informed about the implementation of the Disruptive Specific Electives in sem III and sem IV from the academic year 2022-23.

This was followed by an in-depth discussion on the DSE's to be implemented for the TYSMS sem I and sem VI from the academic year 2023-24. Members came out with many ideas on the same and it was decided to

introduce Event Management I in sem V and Event Management II in sem VI which could be taken up by all the TYBMS students. The above was just a proposal and it was later concluded that the BOS would research a bit on this and could take a final decision on the same in the next BOS meeting.

The BOS also had a discussion on the implementation of the Mentor-Mentee program. The BOS was of the opinion that the department can have a theme for every month and the mentors can mentor their mentees based on that theme.
