Action Taken Report on Analysis of Curriculum Feedback

Feedback on the curriculum was obtained from all stakeholders namely the alumni, students, and peer teachers from the industry in the field of Accounting & Finance. The analysis of feedback along with recommendations of the stakeholders was put forth in the meeting of the Board of Studies on 1st April 2023.

Following are the suggestions of the BOS members to be considered for the forthcoming Academic year:

1. The changes in the syllabus were suggested in view of the current need of the industry.
2. Suggestion to give students an option in Project (Semester VI subject) to be either Research-based or Internship based instead of it being only Research-based. This is purely an effort to encourage internships among students.
3. VAC on digital marketing, Cloud computing, Technical Analysis, NISM, Data Analytics, and Entrepreneurship was suggested.
