This survey is taken as a Feedback on Curriculum (Geography) by Industry Person/ Employer to record their responses for the academic year 2022-23. We have got five responses from teachers, alumni and corporate person for SYBA, FYBA and F.Y.B.Com Classes. All of them consider the fact that the curriculum have enhanced the student's skills. They all agreed the curriculum is Upto date to prepare the students according to the job requirements. The curriculum is concise and is relevant to the needs of the society. 80% agree with the fact that the curriculum is relevant to the needs of the industry. While 20% agree that the curriculum is not relevant to the needs of the society. According to all internships for the students should be made available in GIS, Remote Sensing, Research and development, Knowledge on Current Affairs, Current Policies and Environmental Law and some specific knowledge of geology. All of them agreed that the curriculum is good for the students.
