Suggestions:

- Building interest among students about physics.
- Please guide students individually
- Quantum mechanics should be included in TYBSc and electronics of 2nd year should start from basics.
- Workshop related to physics practical.

Suggestions from Alumni:

1. Please keep Majors instead of selecting a particular elective, especially MSc in Astronomy/Astrophysics. Keep SSD as an elective course.
2. Start teaching python from 1st year bachelor science
3. There should be academic calendar so that students have proper planning for their exams.
4. Things will go smoothly if pre-planned and there will be an academic calendar provided at the beginning of academic year.
5. Conduct all lectures offline.
