(Hindi Vidya Prachar Samiti's RAMNIRANJAN JHUNJHUNWALA COLLEGE of Arts, Science & Commerce)

Opposite Ghatkopar Railway Station, Ghatkopar (West), Mumbai 400086, Maharashtra, INDIA.

Website: www.rjcollege.edu.in Email: rjcollege@rjcollege.edu.in Tel No: +91 22 25151763 Fax No: +91 22 25150957

College is recognized under Section 2(f) & 12(B) of the UGC Act, 1956

Affiliated to UNIVERSITY OF MUMBAI || NAAC Re-Accredited 'A' Grade (CGPA: 3.50)

## DEPARTMENT OF ZOOLOGY

### REPORT ON CURRICULUM FEEDBACK -2022-23

The curriculum feedback was obtained from PG, UG classes, Alumni, Peer teachers and industry person. PG students has demanded for Internship Programs. One month internship program for Sem IV was provided in 2022-23. We are planning for 3-6months internship program in 2023-24.

T.Y students have specified for Job placements, which we are already taking care. This year we shall ensure most students participate in the campus interviews organized by the college.

F.Y students have asked for skill enhancement programs which we are in compliance with and shall provide more opportunities.

S.Y students required some course related to fitness in order to improve life styles. Considering this point, we introduced VAC on Approach to Holistic Health from 17-21 April 2023 which was well received by the students.

The reviews from the peer teachers suggest the need to revise curriculum as per industrial requirements. They also suggested the need to teach advanced lab techniques such as HPLC, Western blotting. They mentioned short internship programs, certificate courses during vacations. Some parameters are already incorporated and the rest of suggestions shall be considered in the next academic year.

Would you like to mention on any add-on course or skill enhancement course? If yes specify?

6 responses

Na

Computing programme and software learning

Focus can be given of use of instruments commonly used in industry like HPLC, western blotting, Elisa etc.

Hospital Management, Clinical Research, clinical epidemiology

Curriculum needs to be revised as per the growing industrial requirements. Apart from curriculum Students must have the technical skills such as incorporating their learning with technology in that particular field..

Computer literacy-spreadsheets, data analysis softwares, hands on training on advanced laboratory instruments.

Any other suggestions

4 responses

na

None

I would like to suggest to add 1 month industry visit for last year students to gain practical knowledge.

Students should be encouraged and guided to take up short internship programmes, certificate courses during vacations to make them aware of the industry trends.

No

In theory part more of lower phylum are there .. More/ A part of human physiology could be added with the same . Human physiology could really enhance the interest in the subject along with other lessons.

Please have aa proper seating area

Better

Skill enhancement good for improve knowledge

Focus the skill of all student if it is possible to organize the compition in which all student can be participate

Field study could be conducted for better understanding
