The meeting started with presentation of students from Chemistry Department working under Dr. Sandesh Divelkar titled "Preparation and investigation of structural, thermal and spectroscopic properties of double salts involving metal-non-metallic cation combination". Then Dr. Sandesh Divelkar presented his proposal titled "Physicochemical studies on Double selenates and Lanthanide based compounds". The budget was Rs. 1,00,000/- . After this, Namrata Jaiswal presented the project to be carried out in collaboration with Dr. Anil Akhad titled "Pharmacognostic studies of Eclipta alba and Wedelia triloba". The total budget was Rs. 1,20,000/- . Then Mr. Mujtaba Shaikh presented the project to be carried out in collaboration with Ms. Archana Bhide titled "RT Navigation Project". The cost of the project is Rs. 1,20,000/- . Then Dr. Kavitha Rajbhar presented her proposal titled "Development of a microbial consortium for waste management". The total budget was 1,55,000/- which included stipend for students. Dr. Kavitha was asked to submit a revised proposal budget as the stipend for students was not a part of the present policy. All the proposals were accepted in principle.

The the remaining activities of RAC were then discussed. Dr. Janhavi Bhagwat briefed the members about the preparation for the Intercollegiate Scientific writing workshop. It was decided to postpone the Classic Paper Presentation Seminar to 27<sup>th</sup> February owing to the internal exams on 17<sup>th</sup> January which was previously announced date. It was also decided to start sending out notices for Anusandhan, the Project Presentation Seminar. The meeting ended with congratulating Dr. Rachana for successful organization for Avishkar 2023.
