## REPORT

Name of the Event: GDPI (group discussion and personal interview)

Date : 10<sup>th</sup> December 2022.

Time: 12:00 pm to 02:00 pm.

Venue: Seminar room RJ College

This event was organised by the Rotaract club of Raminiranjan JhunJhunwala College to provide the students with in-depth knowledge of “personal interviews,” to encourage them to exchange opinions, views, and information about topics, and to prepare them for job interviews.

The project was handled through the professional development avenue under the chairmanship of Rtr. Shubhangi Tiwari. It was held on December 10, 2022, in the seminar room of the college.

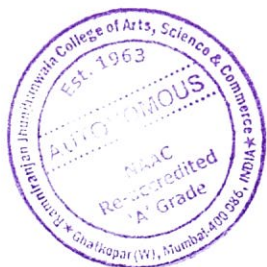

The aim of this event was to assess a candidate’s ability to convince and lead a group of people who may have different points of view. The personal interview, on the other hand, was an assessment of the candidate’s personality and thought process. To provide the students with general facts and necessary descriptions about the job and the company.

The impact of this event on participants was that they understood each other’s points of view, which made them think deeply about the topic. GD helped the students represent their views and ask the relevant questions. It also increased the confidence of the students and enhanced their communication skills. Group discussion helped in gathering participants’ attention and in maintaining their focus by involving them in the learning process.

The personal interview helped obtain additional information about the skills and knowledge required by the interviewee. The session also provided the students with some general facts and necessary descriptions about the job and the company.

The feedback we received from participants is as follows:

Everyone appreciated the event; they liked the concept and session, and everyone gave positive feedback. The session was really helpful and informative as they gained a wider knowledge of group discussions and personal interviews. According to general body members, the event served as a practise for enhancing the listening skills of a student.
