REPORT

Name of the Event: Big Boss Season 2

Date: 17 and 18 Decemder 2022.

Time: 11:00 am to 5:30 pm

Venue: Ganga Complex, Wagbil, thane west- 400615

This event was organised by the Rotaract club of Raminiranjan JhunJhunwala College to provide an opportunity to showcase their respective talents and by playing games and fulfilling strategies. The project was handled through the club service avenue under the chairmanship of Rtr. Ankita Singh and Yash Rajpurohit. It was held on December 17th December, 2022 and day 2 on 18th December, 2022. In Ganga Complex, Wagbil, thane west- 400615. The event started at 11 am on 17th December. The aim of this event was to keep members isolated from their phones, as nowadays everyone is addicted.

A number of contestants known as "housemates" had to live in a purpose-built house and perform certain tasks given to them according to the alliances they made. We wanted to keep them focused and make them enjoy the company of people around them rather than always being on the phone, and also to help them understand the importance of being with everyone, enjoying the good times in life, and making some amazing memories. We encouraged them to take initiative for themselves and to test their teamwork abilities and community spirit. We indulged them in housework activities and gave them an opportunity to prove themselves through teamwork, coordination, and dedication. To help them polish their communication skills, as Big Boss is a house that requires verbal skills to make alliances, which makes it easier for them to lead the game, and it also helped them make strong bonds, new friendships, and better connections with the people in the club.

We engaged the members as well as the non-members, which made them aware what all activities our club offers. To help them illustrate their leadership skills and their zeal towards winning the game. To help them show their inner personality and the different shades of their persona, as each individual has various ways of showing their emotions. This event also tested the emotional quotient of the housemates; the Big Boss house exhibited a roller coaster of emotions. Apart from all these factors, one more reason for this event was to provide them with a source of entertainment and make them also experience this interesting game, which they always witness on their phones and television screens. This event also polished the communication skills and made stronger bonds, friendships, and connections in the club. It also tested the IQ (intelligence quotient) and EQ (emotional quotient) of the participants.
