REPORT

Name of the Event: Aamchi Mumbai

Start Date: 23rd December, 2022

End Date: 28th December, 2022

Venue: Thane, Dadar, CSMT and Central line (Kurla to Badlapur)

Aamchi Mumbai is a community service project which aims to pay a tribute to our Past President Rtr. Dhiraj who died in a Rail accident and to address, engage, promote and bring rail safety to the forefront of people's minds so as to control the accidents which may happen due to negligence of passengers, illegal actions done by young students and peoples like crossing rail tracks, taking selfie on rail tracks, doing stunts. The event strives to create awareness regarding the situations which citizens came across while in the train and to control the accidents. The event was conducted in two phases, phase I - Street Play and Flashmob on Thane, Dadar and CSMT railway station phase II – Awareness Drive. The event planned and first approved by vice presidents and then started. For phase on we explained the script and each and every part of plan in detail to the members performing skit and side by side we made a permission letter and applied for the permission to perform the skit and flashmob at Thane, Dadar and CSMT railway station. As per the one of the conditions of the permission letter we received we were supposed to cover all the three railway station in between the peak hours. The participants performed flashmob and skit practiced with dedication for about 5-6 days. On 23rd December 2023, then the chairpersons of the event gave the instructions and then students left to perform the flashmob.

Phase 2 was an awareness drive which was to prevent trespassing. Students choosed the central line (From Kurla to Badlapur). Students gathered at 08:00 am in the college and the chairpersons gave the instructions to the team. Then everyone together covered all the major stations from Kurla to Badlapur. The awareness drive created a very good impact.
