REPORT

Name of the event: Khat

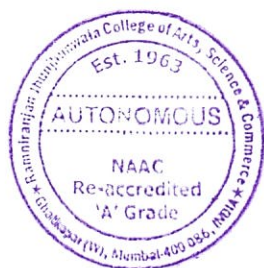

Start date: 5th October 2022

End date: 9th October 2022

Venue: Ramniranjan Jhunjhunwala College

Khat is an international service avenue based project. The aim of the project was to revive the art of letter writing and creating bonds as the members can express through letters which they generally may not do through words. The event was announced one week prior and everyone were informed the procedure of the event. All members were interested to write letters and started writing letters for their close friends and loved ones. Privacy was maintained throughout. A letterbox was created by the chairpersons of the event and the members interested in posting letters posted in the letterbox. There were so many letters posted making it a grand total of 70. Then the letters were distributed one by one.

People who are non expressive in general were grateful as they got the medium as well as purpose to write letters. While delivering the letters chairpersons also interviewed the receivers of the letters by asking them to make a mere guess from whom they were expecting the letter to be or how they are feeling while receiving the letter and more similar questions. The members of the club were extremely delighted as they received many unexpected letters. Moreover the aim of the event was achieved and the people wanted the event to be conducted again.
