Medi with love is a community service event in which we distributed medical kits to Underprivileged schools. The kit contained all the basic items to treat some minor injuries and with the help of this hygiene will be maintained. The aim of our project was to provide a help to underprivileged schools and spend some time with the children and make them aware about the importance of cleanliness and hygiene in their lives. The community service directors finalised the plan with the vice president. The marketing director looked for sponsors and we got sponsored by our Parent club, Rotary Club of Mumbai Ghatkopar. Then our club started looking for schools which were in a convenient location for the rotaracters to travel easily. We collaborated with Rotaract Club of Palghar and started looking for schools in Palghar. We found 70 underprivileged schools. Then we mutually decided the date of the project to be 17th and 18th October, 2022. A day before the event we collected the medical kits from Rotary club of Mumbai Ghatkopar. Around 7:00a.m. we left for Palghar and reached at 10:00a.m. Then the process of distribution started. On day one we donated 40 kits and also spent some time with children telling the importance of hygiene. On the second day we started distributing the kits at 9:00a.m and donated the remaining kits. Meanwhile Rtr Nawaz Shaikh and Rtr Pushkar Patil headed to Dhanu Road for the project zariya and continued the distribution.
