REPORT

Name of the Event: Vinayak Darshan

Date: 7th September, 2022

Time: 12:30 pm onwards

Venue: Integrated Bhoomi, Ghatkopar (W)

Vinayak Darshan is club service event. The event was planned one month prior to the execution. The plan was to have Lord Ganesha's blessings together as a family and have fun and create memories. After the proper planning for the event flow we finally decided the dates which was 7th September 2022. In a meeting we discussed the plan with all the members and asked them about the Ganapati Agaman in their house. So later after talking to them personally as well as in the meeting, we decided to visit one of our general body member's house. Rtr. Vinayak Singh. He himself initiated us to make this event happen in his house and he will be sponsoring the event as an organizing committee. Then we decided to make him only the chairperson for this particular event. His house was in Ghatkopar and even near to the college which was the beneficial part for the members traveling from far. It was the perfect location for us to visit as it was closer to the college and the members didn't have to travel far.

Further talking about the D-Day the event started sharp at 12:30 pm. We waited for 10 mins for some members as the reporting time was ten minutes before. Then we left from the college for Vinayak's house. Everyone was talking and chit-chatting while walking till the house with each other and we didn't even know we reached the venue talking the whole time, it took 15 minutes to reach the venue for the event. Then after reaching in the venue, everyone was made to sit for some time and everyone was guided to take darshan of Lord Ganesha line by line as to avoid chaos. Vinayak's family was there to guide us for the venue help and they were very sweet and helpful. They gave us sweets and snacks along with the prasada. To make that moment more special, entertaining and memorable we decided to open the podium for the members to showcase their talent. After this announcement we had some of the members who wanted to do singing, dancing, shayari which was amazing and entertaining. After all the performances, everyone danced for a long time and then after getting tired, everyone sat down. After resting for some time, we asked our members about their experience and they gave a very wonderful response. After that we thanked Vinayak and his family for inviting us for the Darshan and for sponsoring this event. Everyone was so kind and helpful and they made us feel like it was our house only.

Later we took some pictures there with everyone down in their locality together. After this wonderful time everyone was little hungry, we went to the hotel to eat something. Everyone sat and then we ordered Pav Bhaji for everyone. Members were hungry so everyone's main focus was eating at that time. The waiters gave the food and Vps of the club helped them giving the food to everyone. Everyone was eating and chitchatting all the time. After getting full with food then there was the moment where it was a powercut somehow, so we enjoyed that moment by flashing the lights of the mobile phones but fortunately the light came. That was something everyone would remember for their lifetime about the event. The time spent there together as a family was really memorable and unforgettable. After sitting there for a very long time and taking a lot of pictures we then left the hotel at 5:30 pm. We reached the college back to Adjourn the event with the members. Some were getting late so they left and rest were with us. After we reached the college, everyone sat in the classroom and we asked the members about the whole experience of the day and event. They gave worth listening feedbacks and then Club Service Directors thanked everyone for coming in their event and making it memorable and appreciating their efforts. Then, the event was ended by President along with Sergeant at Arms on a very good note.
