REPORT ON INTERDISCIPLINARY INTELLECTUALS- GUEST LECTURE SERIES (2022-2023)

The human-animal relationship is a mutually beneficial relationship, influenced by behaviours that are essential to elicit positive emotions and healthy existence. The emotional, psychological and physical interactions of people, animals and the environment need focus and understanding for a holistic development in various aspects. In an attempt to solve or resolve the emotional, psychological and other mind-related problems of the students and also to mark the Diamond Jubilee celebration of our College, the Department of Zoology in collaboration with the Department of Psychology organised a Guest lecture titled "Interdisciplinary Intellectuals"-Guest Lecture Series under the aegis of DBT Star Department activity on 9th July 2022.

Dr. Sangeeta Kamath, Faculty-Department of Psychology, Ruia College was the Guest Speaker who delivered her talk on the topic Human-Animal relationship-A psychological perspective. She spoke on influence of animal behaviours in the building of human behaviours and vice-versa. Her proficiency as a Clinical Psychologist and Clinical hypnotherapist benefitted not only the students but also the teacher participants to analyse, understand and adapt to different psychological stresses. The lecture commenced at 10.00 am in the Seminar Hall and concluded with the Question-Answer session. The main objective of the lecture was to aid students to understand the cause of emotional and psychological problems and also to make them aware of how a positive interaction with animals and environment can help navigate these problems. The session was attended by 68 students and 5 teachers and all the beneficiaries were issued e-certificate.
