REPORT

A session on Career Options and Career Opportunities was organised for the benefit of SY and TYBSc Botany was organised by the Department of Botany on 2nd March 2023. Dr Usha Mukundan a Former Principal and a well-known Botanist gave an interactive session on how you can make a meaningful career by majoring in Botany. As a Botanist you not only have a satisfying career but will also contribute to the wellbeing of the planet. You can develop strategies for conserving endemic flora, endangered flora and economically important plants. She gave a broad overview of various opportunities available for botanists in public and private sectors. She emphasised that students should explore the possibility of becoming an entrepreneur using the knowledge of plant sciences. There are many avenues for research in premier research institutes which can be explored. The session was highly interactive.

Dr. Usha Mukundan

Dr. Usha Mukundan's career has been marked by exceptional achievements and accolades. She excelled in her academic pursuits, earning a Distinction in B.Sc., a First Class in M.Sc., and ultimately obtaining a Doctorate in Plant Physiology. In 1997, she conducted post-doctoral research in Plant Biotechnology, specifically in the area of Downstream Processing, at Louisiana State University in the United States.

Throughout her academic journey, Dr. Mukundan received numerous awards and prizes for her outstanding performance. Notable recognitions include the College Merit Scholarship, Rameshwar Saboo Gold Medal for ranking first among B.Sc. students at R. J. College, the Nirmala Welingkar Prize for standing first among B.Sc. (Botany) students at the University of Mumbai, National Merit Scholarship, and the UGC Career Award in Science. In 2011, she was honored with the BEST TEACHER Award 2010 by the Government of Maharashtra.

Driven by her passion for education, Dr. Mukundan pursued a teaching career and joined R. J. College. It didn't take long for her to progress through the ranks and become the Principal of the college in July 2004. As a dedicated educator, she played a vital role in the development of the college's faculty by organizing Faculty Improvement Programmes.

Dr. Mukundan actively participated in various academic committees and boards. She served as a Member of the Board of Studies in Botany at the University of Mumbai since 2002, a member of the Faculty of Science since March 2004, a NAAC Peer Team Member, the Convener of the Board of Studies in Biotechnology at the University of Mumbai since 2008, and a member of the UGC Xith Plan Western Region Committee since 2009.

Furthermore, Dr. Mukundan has successfully completed 14 projects funded by organizations such as UGC, CSIR, DST, DBT, ICMR, as well as collaborations with industries like Bharat Serum, Johnson and Johnson, Hindustan Unilever, and MARICO. The total funding received for these projects amounts to approximately 1.5 crores.

Her passion for research and dedication to mentoring students is evident through her supervision of research projects for M.Sc., M.Phil., and Ph.D. courses. To date, 38 of her students have successfully completed their Ph.D. degrees. Dr. Mukundan has an extensive list of research publications to her credit.

Throughout her career, Dr. Mukundan undertook several overseas assignments, including attending international conferences at prestigious venues such as the Kew Botanical Gardens in London, the International Conference of IAPTC in Florence and Israel, an International Conference in Singapore, and participating in the INSA-KOSEF Scientific Exchange Programme in South Korea in 2003.
