## REPORT

A Faculty Development Program for Teaching Staff on use of Bloom's Technology in Curriculum Design, Teaching Plan & Evaluation was organized on 7<sup>th</sup> November 2022 from 10:30 am onwards. The program gave an insight into the usefulness of Bloom's Taxonomy. Teachers were informed about the set of three hierarchical models used for classification of educational learning objectives into levels of complexity and specificity under Bloom's Taxonomy. The speaker shared with the teachers that it helps educators identify achievable learning goals and develop plans to meet them and helps teachers assess learning on an ongoing basis, encouraging students to reflect on their progress.
