More case study base approach

Teacher must be know the speed of teaching some teachers go with high speed

It's all good and effective

Average

Personal interaction with students

Communication skills must be more

Teachers should speak loudly

It's great experience

Teachers very supportive

They help us to overcome from trouble regarding msc it

I think...teachers should include more examples to clear the concept
Also presentation should be made mandatory to increase the interest of a student

Nothing from my side. Best from all sides

Good

Mam understand a student

To communicate

Use of ICT tools should be increased

Teacher should interact with students occasionally

Learning experience refers to any interaction, course, program, or other experience in which learning takes place, whether it occurs in traditional academic settings (schools, classrooms) or nontraditional settings (outside-of-school locations, outdoor environments), or whether it includes traditional educationa
