REPORT OF ACTION TAKEN ON FEEDBACK ANALYSIS

The analysis of feedback forms was discussed in detail in the first BOS Meeting held in the current academic year 2021-2022.

Taking cognizance of the analysis, the Board acknowledged the effectiveness of the syllabus for skill enhancement and in-depth understanding of contemporary society.

The BOS suggested that the Bloom's Taxonomy needs to be taken into consideration for assessing the overall progress of the students. The gradual enhancement in the comprehending abilities of the students can be tapped. Example of Research Skills was cited wherein basic components of research can be formally introduced in the SYBA syllabus which can be carried forward through live projects at the TYBA level in Paper VI and Paper IX.

The suggestions of syllabus revision have been accepted and will be incorporated in the SYBA syllabus for the next academic year.
