Report:

This lecture was conducted by Dr. Amita Valmiki.

Overall performance of students while conducting tests in class was satisfactory, both in SY and TY classes. Language needed to be improved, so reading techniques were introduced and lot of writing practice was given. Sometimes we also asked students to conduct lecture for 15 minutes so as to realize where the students is grammatical, rationally and intellectually is lagging behind. Overall the remedial lectures were enjoyed by the students and their views were taken as to how they themselves and teachers too can improve in the respective spheres.
