## Invitation for ACTREC's 'Open Day'

Dear HOD / Senior Faculty,

The Advanced Centre for Treatment, Research and Education in Cancer (ACTREC) is the R&D wing of the Tata Memorial Centre (TMC). Established in 2002 at Kharghar, Navi Mumbai, ACTREC focusses on providing cancer treatment, undertaking basic, translational and clinical cancer research, and conducting educational programs. The Centre's Cancer Research Institute (CRI) - that was established in 1952 in Parel, Mumbai and moved to Kharghar, Navi Mumbai in 2002 - is engaged in basic and translational research and its research support facilities are embedded with high-end technologies. Its Clinical Research Centre and 120-bed Hospital focus on translational and clinical research as well as clinical trials. The Centre's academic endeavors encompass doctoral and short term/ summer training programs. Every year in December, ACTREC hosts an 'Open Day' - a tradition started in 1995 by CRI. During this two day event, visitors get to see glimpses of high end technologies used in cancer research and interact with our scientists and Ph D. students.

I am pleased to invite you to participate in Open Day 2018 being held on December 6 and 7, 2018. We can accept 15 students studying in the Bachelor's (year 3) or Master's program, accompanied by one faculty member per college. My colleague Dr. Aparna Bagwe, Officer-in-Charge, Science Communication & Professional Education (SCOPE) Cell, is the Co-ordinator of Open Day. Please send her an official acceptance of your college's participation [abagwe@actrec.gov.in; do mark a cc to: oupanasi@actrec.gov.in] at the earliest - no later than October 15, 2018, mentioning: (a) college and department, (b) name and mobile number of the accompanying faculty, and (c) names of 15 students and their class/ year. The date and time of your visit and other details will be sent to you by mid November 2018. Details about this year's demonstrations will be uploaded on to our website [www.actrec.gov.in/OpenDay/OD2018.pdf] by end November 2018.

We look forward to your college's visit to ACTREC during Open Day 2018.
