REPORT

Principal Dr. Himanshu Dawda addressed the staff members on the term end of the college. He thanked all the staff members for their unconditional support in all the activities of the college. He mentioned that the staff engaged the students after their return in the premises in normal condition. Teachers had to take extra efforts as mentors to counsel the students so that they have good mental health. Remedial teaching was essential to bring them back into regular academics. Students were provided with extra coaching, assignments, writing exercise so that they could come back to regular classroom written examinations. Several activities were conducted by the students with teachers as facilitators through out the year as 'Azadi ka Amrut Mohotsav' and our college had ushered into the Diamond Jubilee year. Principal also wished everyone a very happy vacation with academic engagement included since NEP is to be implemented from the forthcoming academic year 2023-2024. He appraised the members of new initiatives taken by the college in starting of new programs, upgradation of facilities, renovations as required. The NAAC re accreditation is due in December 2023, in view of that college will be submitting the IIQA by June 2023. All members of the staff are requested to submit all the documents to the NAAC desk at the earliest.

The staff members were once again refreshed with the code of conduct and the ethical practices to be pursued by each one of us in all our activities.

Principal felicitated staff members for their achievements to the college. The meeting ended with felicitating our colleague Shri. D. S. Borse, Associate Professor of Chemistry who has superannuated on 30th April 2023 after serving a dedicated tenure of service. The meeting ended on a joyous mode.
