- The main aim of conducting this event was to come across with an extremely courageous persona, Who has faced the situation which an ordinary person cannot imagine in his life.
- Captain Nagappa who has fought in Kargil was invited, so that we can come ahead to his stories from his end. The focus of the event was also to Remember all those soldiers who have sacrificed their lives in kargil. The event was also done to know how our soldiers are giving lots of sacrifices at the cost of the own life just to protect the people and their nation. We all hear in news which war is going on on the border? which war we are winning and losing? but few are fortunate enough to hear the experience of our heroes by their own.
- Eventually, people understand each soldier who leave their family behind for their nation and respect them was the aim motive of the event. Firstly, we approached the speaker Capt Naveen Nagappa Sir and send an invitation to him. Jpeg and Pr message were released.
- Then for togetherness of audience a whatsapp group was made and added everyone and through the group, we sent instructions to the members for maintaining the formal image and no virtual offence would be entertained. After that meeting link was sent in the whatsapp group. "I am a soldier of the Indian Army. I fight where I am told, and I win where I fight."
- It was one of the best events which was organised where all the participants got to all about Kargil survival so close. As soon as the event initiated, Captian Naveen Nagappa gave an overview of his life, he also spoke about what motivated an engineer to join armed forces, he also shared about his training course at IMA Dehradun, He shared a story about his best friend Ramsingh.
- After being posted at kargil, he shared the story of valor of Capt. VikramBatra and the Victory at pt5140. He also Narrated an incident where his legs got injured so brutally in the fight that it took almost 21- 22 months for recovery. He has also been through Depression which he fought bravely and overcame through that. He was Awarded with Sena Medal by the President of India after the war at the Presidential Awards. After listening to sir's experience everybody got goosebumps and mainly the session imbibed a sense of patriotism about the kargil war of 1999 Pictures
- Rtr. Tulsi : The project Kargil Vijay Diwas was so amazing. I have no words to speak about speaker because the journey of Capt Naveen Nagappa Sir was so risky and how can they faced problem and overcome from that problem he shared with us. According to me this project was the best project of professional development. Hoping for such more amazing session in future.
- Rtr. AkshatOjha-It was a pleasure to be a part of such an amazing session by a Real Hero.
- Nirmaldubey- Very Good initiative by entire team. Grateful to all and thanks for organizing. All the best and keep organizing such kind of inspiring sessions. Jai Hind
