- In this lock down situation people are very tensed they don't have anything much to do. So keeping this in mind we thought to bring a fun online game that is ludo.
- So that they get an opportunity to interact with other people and also enjoy the game. This project was open for all non-rotaractors and rotaractors. So they can interact, play and create a bond in this situation.
- The aim was also to bring out the fun element within the participants. The Participants enjoyment and Enthusiasm was the main focus. The project plan and its execution was discussed with the VP Avenue Rtr. Rohan Jana. The Game was for 2 days.
- PR message and Jpeg were released days Prior to the project. Registration charges were kept Rs 10 For each participants. The Charges were paid Via Paytm to the project chair person, 3 days prior to the projects.
- Once the registration charges were collected. A WhatsApp group was created wherein all the participated were added and they were let to talk freely and increase the bond within themselves. Strangers can Turn out to be a Good Friend.
- The Game started at 6.00 PM everyone was very interested to play, and the registration amount was Rs 10/- (foreach) we divided the participants in teams. There were total 12 teams and in each team there were 4 members.
- And people from different club and different colleges had participated in the game and they played with each other and eventually they really enjoyed playing with each other.
