- In this Ongoing Pandemic we are obliged to protect ourselves to not to get in contact with the virus. We are Grateful to the god who gave us all the facilities to protect ourselves. But, What about the people under Flyover or people in slum?
- So, we came up with the Project Suraksha where in, the idea about distributing the Cotton mask among needy came up. There is an utmost need of mask in this Pandemic. Wearing a mask can reduce the chances of getting in contact with the Corona Virus.
- Therefore, we asked People to Contribute At least Rs 10 so that number of masks can get prepared for the needy. And also, it can be beneficial for the tailor as an income can be generated through that donation.
- Each person made a Contribution of Rs 10 or more (according to his/her choice). The Cloth material were given to the tailor to stitch the mask - 1 mask=₹3. The Stitching Process started on 14th July and Got completed on 24th July. After getting all the mask ready it was distributed in the locality to the people who were in need.

Let's Protect All Smiles

Keeping in view the ongoing covid-19 pandemic as Rotaractor it was our core responsibility stand still for the community and assist the people in whatever ways we can. We started Suraksha project as our first step towards helping people defend themselves from contracting to the virus and the very first way of doing so was Homemade Cotton MASK DISTRIBUTION. This project was self-funded. Every member from our Core, BOD's, Members everyone contributed whatever they could and we asked an old female tailor aunt to help us get the masks stitched which on the other hand helped the aunt monetarily and on the either side helped us procure our masks. Keeping in the Covid-19 situation in mind only 3-4 Members from the club went to Ghatkopar, Chembur and Kurla to distribute the mask among needy and maintained the discipline of physical distancing. In Total 150 Masks were Distributed.
