**Project Level Club**

In this lock down situation people are very tensed they don't have anything much to do. So keeping this in mind we thought to bring a fun online game that is Treasure hunt. Where in, team club service will give riddles to the participants and they have to guess the riddle and click the picture of the material eg. Comb, Mirror etc after deciphering the riddle. So that they get an opportunity to interact with other people and also enjoy the game. This project was open for all non-rotaractors and rotaractors. The aim was also to bring out the fun element within the participants. The Participants enjoyment and Enthusiasm was the main focus. All The discussion regarding the execution of the project were discussed. 20 Riddles were finalized before hand for both the days as it was two days project. PR message and Jpeg were released. PR team shared the details in every group. A Group was Created where in the project will be carried out. As people started joining the Group, Every rule and regulation were disclosed.

First a WhatsApp group was created and then we shared the information with every participant. Then we shared the rules and regulations like do's and don't. Then 1st round was on 25th July 8 Pm-9 PM, before starting the game we changed the group setting to not create the mess and even people won't cheat then one by one we put the riddles in the group. And everyone was giving the answers to Rtr. Atharva (Chairperson) on personal chat and when the time was up we changed the group setting and everyone burst out like they really enjoyed and had great fun with deciphering the riddles and giving answers by sharing pictures.

After the 1st round the selected people who gave the answer within time moved to round two and on the next day at same time 8 pm, Round 2 was a challenge round where in participants were given certain challenges like to click pictures with family and send to the Chair person etc. The event came out to be a huge success and everyone eventually shared their views about the project.
