- The main aim of our project is to take a moment and appreciate and show our gratitude towards BMC worker, milkman, watchman, Gardner, etc.
- People who are working for the well-being of the society under this pandemic, it is our duty to show respect to them. The focus was also to bring in the respect and sense of responsibility in the minds of People around by spreading love and gratitude with them.
- As this was the Fourth year of DOR and due to this situation it was not possible for the club to carry out on ground with everyone so the idea came out where in every front line workers get appreciated for what they are doing for past 4-5 months. The idea was planned and discussed with the VP (Avenue) Rtr. Rohan Jana.
- Then we fixed the date. After that we released the PR message and JPEG on the social media.
- The PR message and Jpeg was spread in every group and to everyone so that they take part in this initiative. Then a video Regarding how to make Envelope was send to every participants so that it becomes easier for them to prepare. Then we started making, envelopes with a thank you letter and Rakhi in it. No one can help everyone, but everyone can help someone.
- The main moto of our project was to tie Rakhi to those who protect us and also thank everyone out there who are working for our society and community for example: BMC workers, milkman, watchman, and Gardner, etc.
- We tried to avoid to tie the Rakhi and instead give that Rakhi in the envelope to them directly so that we also maintain physical distance.
- we show some gratitude towards their hard work and show that we are with them but also the love towards them. Some of the people went to the police station and some of them given to the watchman in the building, some of them visited bus stand and even hospitals and gave the envelope to them.
- The participants sent pictures with happy faces, it was great to see the participants taking efforts for those who are taking efforts for us in this pandemic.
