Project Level Club

- After lockdown came into an end, we decided to do an on-ground sports event for our club members. Motive was to promote football in completely different surface i.e. on sand.
- We had an board's meeting and decided the HODs for the events. Guidelines related to safety and social distancing were given to the members.
- Jpegs were posted on our social media handles. Venue was confirmed.
- To be honest with you, I never looked at soccer as a sacrifice.- Brandi Chastain
- So we are ready for our first on ground project event. Rotaractors who reside near Juhu Beach joined us to play football and we did not expect people who reside far to come as transportation would become a barrier.
- After 7 months of lockdown members were looking super fresh and active. Masks were compulsory for all the players those who were looking forward to take the field.
- Two captains were made and teams were distributed among selves. And at last match was tied by one goal each. All members were glad to join this new initiative by our sports avenue.
