•The main aim was to celebrate international Children's day with underprivileged kids. In this difficult time of ongoing pandemic everyone is facing problems especially kids who are homeless and needy so keeping this all-in mind we came up with a project 'MUSKAAN' in which we help children with teaching and some essentials like books, pencil, rubber, pouch, scale and some sweets etc. We also gave Himalaya baby kit and cloths to a new born babies. We release PR message and JPEG then we release the CPs for the event and we got the donation of INR. 2000 we started purchasing books, pencil, eraser, scale, sharpener, pouch, some sweets and Himalaya baby kit and cloths. We started donating first. We donated baby kit by DCM Naved Siddique and donated clothes by ZRR Aman Singh. We started teaching the children and distributed books and some writing stuff to them to write on their books and they started writing. The Project was carried out on the street at Jagrutinagar and it focused on Gully classes. They were asked to sit down on the mat which was provided to them in a row properly. Volunteer Aditi and Tanvi taught them the importance of education and also taught them English alphabets, Numbers, Roman numbers etc. They were also given the knowledge about respecting others, listening to others and also inculcating good communication manners with parents. Children were so active. That they even communicated with the volunteers without hesitation and shared their view points. Their children were not mature but their words and their level of thinking touched our heart. They came ahead and shared their lifestyle and daily routine. Also shared about their basic education which they receive from government schools who provide education to underprivileged students. The students who attended this were not only small kids but also a few younger ones. We gave sweets to children to eat and after sometime our President Rtr. Mouzzam Khan showed some of his dance moves and danced with them. They were happy. Kids who did best dance were gifted with Chocolates. Volunteers also played cricket with them. They were given to take the lead and plan a game and then everyone played the games zealously. The day was spent well. We felt that we achieved our motive about this day.
