## Project Level Club

- In this lockdown situation people are very tensed they don't have anything much to do so keeping this in mind we thought to bring a fun online game that is Dekhkebolio, so that they get an opportunity to interact with other people and also enjoy the game.
- This project was open for all non- rotaractors and rotaractors as well so they can interact, play and create a bond and make it stronger
- We discuss the plan and told to our vice president and then he gave us the approval then we created PR message and we released our PR message and jpeg on our social media handle and with that we started the project.
- The project was done for 4 days. Group members were pre-informed about the execution of the project.
- The event started at 8.00 pm each day and every one was very interested to play, because each new day we had different topics like talking with Stickers, Gullyslang, Bhojpuri, and Pure Hindi. Before starting the project Rtr.Akash Verma in structed us with guidelines- avoid using bad words and maintaining the decency. There were no entry restriction, all the club members were allowed to participate. And all the participants were playing individually.
- Everyone enjoyed receiving new sticker in their bag on the very first day. The next day it was talking in Gullyslang- so people started talking in that manner. It was so much fun and everyone were laughing. On the third day it was talking in Bhojpuri language and many of them who did not know learned the Bhojpuri language inenthusiastic manner.
- The very last day was speaking on any topic in pure Hindi, no other languages were allowed strictly Pure Hindi. This is what we really need that people Enjoy each and every Game.
