- Aim of the project was to conserve electricity.
- Here the participants were told to switch off their light for couple of minutes and make a snap and send it to the D2LR WhatsApp group for ten consecutive days.
- Dates for the project were finalized.
- Jpeg and PR messages were released. WhatsApp Group was created.
- Google form was created, wherein people added their respective dates to perform the activity.
- Instructions were given. Everything was set for the day.
- D2LR was not just an event of 10 days it was done to bring change in people to switch their light off when not in use or know the importance of light we take it lightly because we never been in dark, the people in remote areas who do their work under lamp or Diya they know it very well.
- As I saw up to 170 people who came to help us in this initiative everyone did with great enthusiasm and one of our alumnus also encouraged us to make videos on the very first day.
- On the last day one of our participants gave idea of lighting Diya and taking snap.
- So it was good to see people participating and getting involved in the process.
- All the videos and pictures were posted on Club Instagram Story.
