Project Level Club

The main aim of the project was to create awareness in the society and communities with respect to spreading of covid-19 and its prevention, cleanliness etc. CPs were released. Project PR was done. Zoom meeting was done to decide the duration of the projects and topics to be covered in goonj. 6 topics were decided. Waste decomposition Hygiene and sanitization wall painting poster awareness Level 1 Blind date Play Flash mob. Due to unforeseen Lockdown started in the month of April we had to hold the project because of which we could only complete three out of 6 topics. Topics which were completed are as followed. Waste decomposition- All the waste in the college were decomposed effectively and the area was cleaned. Wall Painting- Poster awareness- Waste decomposition, Wall painting, Poster awareness We all came together took colors and started showing our creativity on walls. We did a lot of fun while wall painting and also get to polish our skills. Most of us were unaware of how to paint and draw on the walls. But any how with the help of team we worked. We also gave a social message of "NURTURE NATURE FOR BEAUTIFUL FEATURE". We even did publicity of our club as well as our district by drawing their logos on it. People passing by were so impressed with our work that they were grazing and appreciating us. At the end we finished with a beautiful peace of art on walls. We conveyed social message beautifully with the help of our art. Hence the motto was accomplished successfully. This year was an ice breaker for everyone wherein we were locked up in houses due to the prevailing corona problem. This year at RCRJ we shifted to Poster awareness where in our members were asked to make placards about Why not to follow the government issued guidelines for the prevention of spread of COVID-19
