- It is the nature to whom we owe our everything and with the nature it is always a give and take relationship. Us as humans we take too much but give back very less which of course lead to umpteen environmental problems. Us as Rotaractors from years have been doing our bit in making up the losses since a lot of years and on the 24th march 2020 we too decided to help our mother nature by summoning at Dadar beach for the beach clean up drive under the RID 3141's initiative WRY- World Responsible Youth. As aforementioned our club Rotaractors reported at the Dadar beach around 8:30 AM on 14<sup>th</sup> March. We surveyed the beach for the next 20 minutes to decide the modus operandi meanwhile other clubs too joined
