"The Bond we create is deeper than the Game we play". Quite literally Sticking by the Quote, On the Occasion of

Membership Month, a joint project - sports summit was conducted by 6 Clubs together.

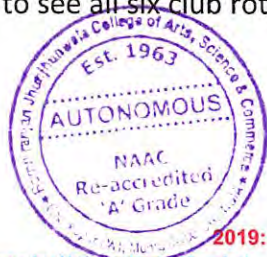

The main aim behind having a joint event was bonding and fellowship. It was a sports initiative which helped the participants in learning how to be a team member and how to work together while having different opinions. It also helped the participants to hone their skills in sports.

1. Planning event with other 6 Club members.
2. Discussion regarding project with other 6 club Sports Director, President and VP's.
3. Releasing of jpg and PR messages.
4. Explaining project to club members.
5. We decided only 10 members from each Club to avoid the crowding.
6. Taking PR updates and how many people joining for project.

Summary:

1. Fun Mania started at given time and ended on good note.
2. All 6 club members have fun and play all games with enthusiasm.
3. In cricket match we also saw some good shots and tough matches.
4. In lagori game we had very fun, during match everyone gets excited when ball misses the 7 stones.
5. After all these games all club members know each other very well and became very good friends. Fun Mania had a positive impact on every rotaractor because it provided an opportunity for everyone to meet other club rotaractors. With the help of this event, people were able to form bonds and have fun while playing various games and interacting with one another.

The main goal was to see all six club rotaractors as part of one club, which was completely fulfilled.

Sport has the power to change the world. It has the power to inspire. It has the power to unite people in a way that little else does. It speaks to youth in a language they understand - Nelson Mandela.
