**Project Name** What If

**Venue** Email

**Start Time** 04-01-2022 09:30:00 **End Time** 15-01-2022 17:30:00

The main aim of the project was to bring out the creative thinking of the participants. Make them explore the wonders and challenge their creative thinking by providing different challenging situations to write and make them explore the different possibilities.

To bring out the inner storyteller, story writer, thinker of the participants.

To provide them with a platform to showcase their writing talent and appreciate it. To bring an attitude that, it is not mandatory that you be Shakespeare or Kalidas to write anything. Make writing a fun thing among people.

To challenge their writing skills by providing different situations and conditions so that they can come out there comfort zone of their writing and try something new style to provide recognition to them. Apart from this, all the ultimate aim was to do something fun event in writing so the participants can enjoy and find something new about them, like what they will do in a particular situation. As in this event, every participant was given a different situation to write what they will do in that situation. So it will help them to know more about themselves and even challenge their thinking. But at the end of all, it wanted and aimed to bring something good for writing purpose

The project provided the platform to poets that want to show their writing and love for poetry on different topics.

Many non-poetry writers tried something new and wrote poetry. It attracted the interest of non-poetry people toward it and challenged the poets to push the boundaries of poetry. The project has allowed people to understand and appreciate the world around us. Events like these give people a platform to become more vulnerable and teach them how to live.
