Sub – Invitation to join the Beach Cleanup and Beach Beautification

Respected Sir / Madam,

Jay Foundation dedicatedly creates awareness and brings a societal change for environmental conservation and sustainable development. We achieve this by undertaking various initiatives and campaigns to better our environment while engaging people. We are focused on making Maharashtra a state that will lead by example to promote and implement environmentally-friendly measures to solve the current environmental issues.

Beach cleanups are one of the ways to engage people and spread awareness about how we have taken Mother Nature for granted. Through this campaign, we are trying to create awareness among the masses about the menace of plastic and other non-biodegradable waste ruining our beautiful coastline and its deadly effect on marine life.

We have been conducting Beach Cleanup Campaign at various beaches in Mumbai for **the last 5 years**. Last year, we extended this campaign to **40 Beaches** across **7 districts** on the coastline of Maharashtra. This campaign was conducted simultaneously on **40 beaches** and engaged more than **20,000 participants**. This immense success has enabled us to conduct beach cleanups twice a month at all these locations.

Our "Plastic Mukht Mumbai" campaign is associated with various residential and commercial complexes. We pick up their Dry waste and help them recycle it. In addition, our beach cleanups have allowed us to extract over **8000 tons of plastic** from our beaches to date. Not just that, but we have **recycled more than 800 tons of residential plastic waste too!**

We can conduct our campaigns with the help of our generous supporters and well-wishers like you. Hence, we would like to invite all the Teaching and Non-Teaching Staff, Students, and the N.S.S. Unit of your educational institution to join hands with us on the **Sunday, 31st July, 9.00 AM onwards at Dadar Beach (Behind Suryavanshi Banquet Hall, Opposite Catering College, S.V.S. Marg, Dadar, Mumbai - 28)**. With your help, we can engage the youth in this fight against Plastic Pollution.

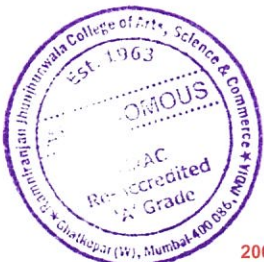

We sincerely hope you support our campaigns and encourage students and staff to participate in huge numbers.

Thanking you,

Jay Shringarpure
President,
Jay Foundation.
